1. Lemon cake mix (I personally did mine by scratch) but recipie calls for lemon cake mix.
2. 1 3.4 oz box lemon flavored instant pudding mix
3. 2/3 c vegetable oil
4. 4 eggs
5. 1 1/2 c Mt. Dew
6. 3 drops of green food coloring

Directions:

Whisk together the cakes pudding mixes. Pour in the eggs and oil and Mountain Dew mix on lowest setting for 30 seconds until combined on medium speed place your 3 drops of green food coloring in and mix for 2 minutes pour batter into Bundt pan the color of the batter is beautiful!! BaKe at 350 for 45-50 minutes. allow cake to cool for 20-30 minutes before removing from pan. Slice and enjoy!! you can also do these as cupcakes as well. baker beware its very good. with the extra mt. dew. orginal recipie calls for 12 oz and no green food coloring. I like them to taste like Mt. Dew myself. lol Enjoy!!!! You can make a glaze and poke wholes and drizzle while cake is warm or powder sugar it. as well. if you like. Hubby likes plain.
