

Freezer corn By Dawn Norcross on Friday, August 16, 2013 at 10:40am

DELICIOUS FROZEN SWEET CORN

Pick sweet corn, husk, and cut off the cob. DO NOT BLANCH!

20 cups of corn

1 cup sugar

1/4 cup salt (we use 1/8c)

5 cups ice water

Mix corn kernels, sugar, salt and ice water. Scoop, liquid and all, into freezer bags / boxes. That's it, no blanching necessary!
