

## Tater Tot Casserole Recipe

32 oz bag tater tots  
1 lb ground beef, browned  
½ t. salt  
¼ t. pepper  
2 cans green beans  
1 can cr. Mushroom soup  
½ chopped onion  
¼ c. milk

Cheese (optional for sprinkling over after cooked)

Freeze all but tater tots & cheese in freezer safe bag. Try to thaw the bag in the fridge, the night before cooking so it will spread out over tots easily.

To cook, line crockpot with tater tots, cover with bag of ingredients. Cook on low for 6 hours or high for 3. Sprinkle each serving with cheese. My family likes to eat ketchup on this.
