

Honey Mustard Dip (not for canning) By Crystal Unger on Friday, September 20, 2013 at 1:52pm

I know this is not for canning, but it is still so good and can be put in a jar.

Honey Mustard Dip

1/3 C. Real Mayonaise

2 3/4 T Spicy Mustard (like Gouldens)

1 1/2 -2 T Honey

Mix and serve

*Note: after making this once I just throw things together till it tastes yummy then keep in the fridge. Great dip for kids on chicken!
